

MEET THE TEAM

Hi, I'm Sarah. I have recently taken on the role as support worker in the Meet-Up Monday Café. I have been working with young people with special needs for the last fifteen years as a youth worker, and I have also previously worked in catering, so I am excited to bring these skills together.

In my free time I enjoy sewing and crocheting clothes for myself and my daughter.

Hi, I am Karen. I started working at Frontline in January. I have enjoyed meeting and working with everyone. I have worked in catering for many years, including in country clubs and school kitchens. I love cooking, so this is an ideal place for me.

Besides my work at Frontline, I have a partner with whom I share two grown up children. And now I have my two sausage dogs (fur babies). In my spare time I am a volunteer at Reach RDA stables.

An Environmental Health Officer recently visited our Meet-Up Monday Café and awarded us the highest score of 5 stars for hygiene.

The Music Man Project

The past couple of months have given us much to celebrate.

In December we had a wonderful end-of-term. We held two concerts: one for the nursery and another for the families and friends of our musicians. In the lead-up to the festive season we had learnt a number of Christmas carols and other Christmas song favourites, which we included in the programme line up. And then on the last day of term The Music Man Project Brentwood took part in The Tuesday Club Service at Sawyers Church, where we played, sang and signed solo and group performances, and also played alongside musicians from Sawyers Church.

After the Christmas break, we returned opening our doors with celebrations for our first birthday! There were renditions of Happy Birthday, much cake eating, and a short film drawing reflection on the year just past.

We are now looking ahead and learning new material that will be performed locally, as well as in the next big joint concert in 2026/2027; watch this space!
